Product Description of Sport Men's Sandals

[One-piece injection]: Full injection-molded men's EVA sandal designed to be super lightweight, comfortable, and supportive.

[Adjustable strap]: Two easy hook-and-loop instep closure comes on and off quickly and gets the fit just right. You don't have to worry about losing these at the lake or pool. They are so light they will just float down the river with you.

[Quick Dry]: Polyester webbing upper and eva sole are extremely durable and dries quickly after getting wet.

[Massage footbed]: The insole is built with rice pattern for massage feeling and anti-skid. You won't want to take it off since it's really comfortable.

Product packing

each pair of flip flops can be packed in an individual polybag, net bag, yarn bag, non-woven bag, velvet bag, box, or other packages as you want. 30-50pairs in a carton.

Shipping Overview

For big orders, ship by sea is economic. But you need to order in advance since it takes a long time for shipping.

For small quantity and urgent orders, ship by air is preferred.

Express/Courier is usually for shipping samples or need of replenishment
